

UNIVERSITY OF NEBRASKA—LINCOLN

# 2013 SERVICE AWARDS

A special supplement to the Scarlet celebrating the dedication of faculty and staff at the University of Nebraska—Lincoln

Sept. 17, 2013

## More than 950 employees honored

On Sept. 17, more than 950 employees will be honored for years of service to the University of Nebraska—Lincoln during the annual Service Awards ceremony at the Lied Center for Performing Arts.

All regular UNL employees receive the awards for completing years of service in five-year intervals. Years of service are calculated both on consolidated or continuous regular employment.

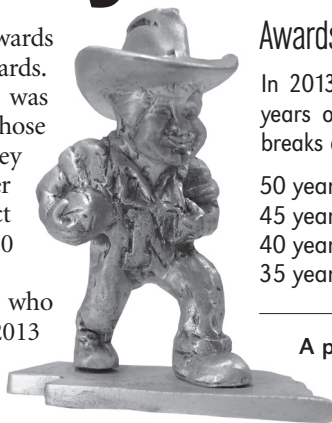

The awards also included the announcement of emeriti status for 31 retired faculty.

The Service Awards ceremony is held in conjunction with the State of the University Address and All-University Picnic.

For more information on the Service Awards program, go to <http://go.unl.edu/serviceawards>.

Information for this special section was provided by Human Resources. Those whose names are not included, but who believe they are eligible for an award, or who have other questions about the awards, should contact Rosalinda Barajas-Ramirez at 402-472-5250 or [rramirez3@unl.edu](mailto:rramirez3@unl.edu).

Congratulations to all UNL employees who reach a service anniversary during the 2013 calendar year.

### Awards by year

In 2013, 923 UNL employees receive service awards for years of service to the university. Here's how that total breaks down by the five-year awards:

50 years:	1	30 years:	51	15 years:	153
45 years:	9	25 years:	86	10 years:	127
40 years:	25	20 years:	93	5 years:	315
35 years:	63
