

UNIVERSITY OF NEBRASKA—LINCOLN

# 2014 SERVICE AWARDS **N**

A supplement to the Scarlet celebrating the dedication of faculty and staff at the University of Nebraska—Lincoln

Oct. 2, 2014

## 971 faculty, staff to receive honors

On Oct. 2, 971 employees were honored for years of service to the University of Nebraska—Lincoln during the annual Service Awards ceremony at the Lied Center for Performing Arts.

All regular UNL employees receive the awards for completing years of service in five-year intervals. Years of service are calculated both on consolidated or continuous regular employment. The awards also included the announcement of emeriti status for 39 retired faculty.

The awards list below is organized alphabetically by campus department/unit first, then last name.

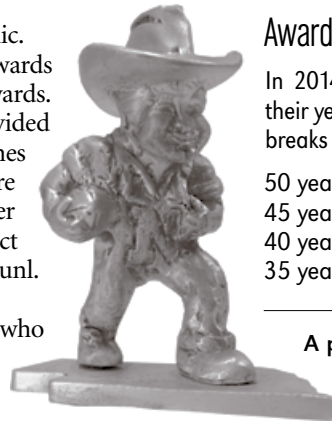

The Service Awards ceremony is held in conjunction with Chancellor Harvey Perlman's annual State of the

University Address and All-University Picnic.

For more information on the Service Awards program, go to <http://go.unl.edu/serviceawards>.

Information for this section was provided by Human Resources. Those whose names are not included, but who believe they are eligible for an award, or who have other questions about the awards, should contact Rosalinda Barajas-Ramirez at [rramirez3@unl.edu](mailto:rramirez3@unl.edu) or 402-472-5250.

Congratulations to all UNL employees who reach a service anniversary during the 2014 calendar year.

### Awards by year
