

CURRICULUM VITAE

RONALD DAVID GREEN

(rgreen2@unl.edu)

PERSONAL INFORMATION:

Birth Date / Place: June 17, 1961 (Roanoke, VA)
Spouse: Jane O. Pauley (Married 8-02-86)
Children: Justin Lucas, 27 yrs
Benjamin Nathaniel, 25 yrs
Kelli Noelle, 21 yrs
Regan Emily, 19 yrs

EDUCATION:

B.S., Animal Science, 1983. Virginia Tech
Blacksburg, VA 24061
(Attended: 9/79 to 6/83)
M.S., Animal Science, 1985. Colorado State University
Fort Collins, CO 80523
(Attended: 8/83 to 8/85)
Ph.D., Animal Science, 1988. University of Nebraska
Lincoln, NE 68588
(Attended: 8/85 to 10/88)

PROFESSIONAL EXPERIENCE:

Senior Vice Chancellor for Academic Affairs (Interim), University of Nebraska-Lincoln (July 2015-present).

Serve as the chief academic officer for the University of Nebraska-Lincoln, while continuing to serve in permanent role as NU Vice President and IANR Harlan Vice Chancellor. Oversight of academic programs in Colleges of Architecture, Arts and Sciences, Business Administration, Education and Human Sciences, Engineering, Fine and Performing Arts, Law, and Journalism and Mass Communications; as well as University Libraries, Graduate School, Nebraska Public Policy Center, Nebraska Educational Television, the Raikes School, International Programs, and University Programs of Excellence.

*Vice President, Agriculture and Natural Resources, University of Nebraska System
Harlan Vice Chancellor, Institute of Agriculture and Natural Resources, University of
Nebraska-Lincoln (July 2010-present).*

Lead all programs in agriculture and natural resources in the University of Nebraska system of 5 campuses including oversight of \$225M annual budget and 3,300 employees in teaching, research and extension programs. Also includes oversight of the UNL College of Agricultural Sciences and Natural Resources, Nebraska College of Technical Agriculture, Nebraska Agricultural Experiment Station, UNL Extension, Nebraska Forest Service, University of Nebraska Water for Food Institute, and the University of Nebraska Rural Futures Institute. Led development of over \$145M in private philanthropic funding.

Senior Director, Global Technical Services, Pfizer Animal Health, Animal Genetics (April 2008-June 2010).

Responsible for building and leading a global team to provide technical leadership support to the new animal genomics and genetics portfolio of Pfizer Animal Health for the global beef, dairy, and sheep industries.

National Program Leader, Food Animal Production, United States Department of Agriculture, Agricultural Research Service (February 2003-December 2007). Appointed Senior National Program Leader, USDA-ARS (January 2008).

Responsible for facilitation and management of research programs covering genetics, genomics, physiology, nutrition, meat science, production systems, and animal well-being in dairy and beef cattle, sheep, swine, and poultry species. Research conducted at 20 locations across U.S. with approximate \$45M annual budget.

DataGen Beef, LLC (September 2002-February 2003).

Co-owner and operator of beef cattle and general consulting business. Clients included Deseret Ranches – FMC (St. Cloud, FL); R.A. Brown Ranches (Throckmorton, TX); King Ranch (Kingsville, TX); American Simmental Association (Bozeman, MT); Frontier Beef Systems (Bozeman, MT); Montana State University and Montana Beef Network (Bozeman, MT); Caprock Industries (Amarillo, TX); ConAgra Beef Alliance (Greeley, CO); National Cattlemens Beef Association (Denver, CO); Montana Stockgrowers Association (Billings, MT); and Prime Rate Ranches (Ft. Pierce, FL).

Vice President, Cattle Operations, Future Beef Operations (February 2002-September 2002).

Responsible for complete cattle supply chain for 430,000 head annual production of integrated beef company with Safeway as retailer; oversight of \$375M annual budget, supervisor of 25 professional employees and contracts with five feedyards, 42 stocker operations, and three technology partners (Intervet, Vigortone Ag Products, Dupont-Pioneer). Company ceased operations in August of 2002.

Assistant Vice President, Director of Genetic Operations, Future Beef Operations (May 2000-January 2002).

Responsible for oversight of genetic supply chain for vertically coordinated start-up company including oversight of \$2.5M annual budget and contracts with 102 seedstock breeders across the United States.

Professor, Department of Animal Sciences, Colorado State University (1997-2000).

60% teaching, 25% research, and 15% service appointment in beef cattle breeding and genetics. Teaching responsibilities in animal breeding, DNA technologies for livestock, population genetics, beef production, and integrated resource management. Co-director of Western Center for Integrated Ranch Management involving 20 faculty members from two colleges and six departments. Faculty director of CSU Beef Improvement Center (Saratoga, WY) involving seedstock cow-calf production of 450-cow ranching operation. Chairman of departmental graduate program.

Associate Professor, Department of Animal Sciences, Colorado State University (1994-1997).

75% teaching, 25% research appointment in beef cattle breeding and genetics.

Assistant Professor, Department of Animal Science and Food Technology, Texas Tech University (1988-1994).

75% teaching, 25% research appointment in animal breeding and genetics.

Graduate Assistant, Department of Animal Science, University of Nebraska (1985-1988).

Research design, experimentation, analysis and interpretation; undergraduate teaching; seminars while conducting Ph.D. research in collaboration with the Roman L. Hruska U.S. Meat Animal Research Center, USDA-ARS, Clay Center, Nebraska.

(Major Professors: Gordon E. Dickerson (deceased) and Larry V. Cundiff)

Graduate Assistant, Department of Animal Sciences, Colorado State University (1983-1985).

Maintenance of database for ongoing projects; research design, analysis and interpretation; undergraduate teaching; committee work while conducting MS research.

(Major Professor: James S. Brinks)

Veterinary Assistant, Botetourt Veterinary Hospital, Fincastle, VA (1981).

Assistance in most aspects of 50% large, 50% small animal veterinary practice.

Farm Laborer, Rustic Lodge Farms, Troutville, VA (1973-1983).

Involved in all aspects of 100-cow family commercial beef cattle operation, including management of Angus show stock.

PROFESSIONAL AFFILIATIONS

Alpha Gamma Rho Fraternity
Alpha Zeta
American Angus Association
American Association for the Advancement of Science
American Society of Animal Science
Council for Agricultural Science and Technology
Federated Animal Science Societies
Gamma Sigma Delta
National Association of College Teachers of Agriculture
National Cattlemens Beef Association
National FFA Alumni Association
Sigma Xi
University of Nebraska Alumni Association
U. S. Beef Improvement Federation
Virginia Alpha Gamma Rho Alumni Corporation
VPI & SU Alumni Association

MAJOR HONORS AND AWARDS

- 2015: Fellow, American Association for the Advancement of Science
Champion of Innovation, Nebraska Innovation Campus, UNL
Distinguished Service Award to Agriculture, Nebraska Section ASABE
Champion of Research Award, University of Nebraska-Lincoln
- 2014: Fellow, American Society of Animal Science
Grand Presidents Society, Alpha Gamma Rho Fraternity
Distinguished Service to Agriculture, Nebraska Corn Board
- 2013: Honorary Membership, Innocents Society, University of Nebraska-Lincoln
- 2012: Inducted, Farm Foundation Roundtable
- 2010: President, American Society of Animal Science
- 2009: President-Elect, American Society of Animal Science
- 2008: Promoted to “Super-Grade” Senior National Program Leader, USDA-ARS
- 2007: Selected for 2007 USDA Senior Executive Service Candidate Development Program
- 2006: Outstanding Performance Award, USDA-ARS
Certificate of Merit Award, USDA-ARS
- 2005: Outstanding Performance Award, USDA-ARS
Certificate of Merit Award, USDA-ARS
Federal Executive Institute Graduate, U.S. Office of Personnel Management
- 2004: Outstanding Performance Award, USDA-ARS
Brother of the Century Award, National Alpha Gamma Rho Fraternity
(Top 1% of AGRs in terms of professional impact recognized on the 100th anniversary of the fraternity.)

Certificate of Merit Award, USDA-ARS
Named to: International Who's Who

- 2003: Outstanding Performance Award, USDA-ARS
Cattleman of the Year, Cattlemen for Christ (presented at National Western Stock Show, Denver, CO)
U. S. Beef Improvement Federation Continuing Service Award
- 2000: Colorado State University Mortar Board "Rose" for outstanding teaching
- 1998: Elected National President, National Block and Bridle Club
Jack E. Cermak Outstanding Advisor Award, Colorado State University
"Favorite Faculty" Award, Colorado State University Residence Halls
- 1997: National Association of College Teachers of Agriculture Fellow Award
Charles N. Shepardson / NACTA Meritorious Teaching Award, Colorado State Univ.
"Favorite Faculty" Award, Colorado State University Residence Halls
- 1996: Distinguished Teacher Award, Western Section, American Society of Animal Science
Nominated as one of "best" teachers, Colorado State University Alumni Association
Named to: Who's Who in America
Who's Who in the West
Who's Who in the World
Men of Achievement
- 1995: Elected National Vice President of Block and Bridle Club
- 1994: Meritorious Service Award, Texas Tech University Block and Bridle Club
- 1992: Elected National Secretary-Treasurer of Block and Bridle Club
- 1991: Outstanding New Faculty Member, Texas Tech Ex-Students Association.
- 1990: One of five outstanding faculty members recognized by Texas Tech Mortar Board and Omicron Delta Kappa for teaching excellence.
Teacher of the Semester, College of Agricultural Sciences, Agricultural Council, Texas Tech University.
- 1988: Arthaud Travel Grant for Outstanding Graduate Research, University of Nebraska.
Sigma Xi, University of Nebraska.
- 1987: Widaman Trust Distinguished Graduate Assistant Award, University of Nebraska.
- 1986: Outstanding Service Award, National Alpha Gamma Rho Fraternity.
- 1985: Shepardson Outstanding Graduate Student Teaching Award, Colorado State University.
- 1983: Outstanding Senior, VPI & SU Alpha Gamma Rho Fraternity.
Outstanding Member, VPI & SU Block and Bridle Club.
Member, Southeast Region Champion Academic Quadrathlon Team.
One of five finalists, Man of the Year, VPI & SU Class of 1983.
VPI & SU Gamma Sigma Delta and Alpha Zeta.
- 1982: Outstanding Junior, VPI & SU Block and Bridle Club.
Honorable Mention, National Block and Bridle Club Junior Scholarship.

LEADERSHIP AND SERVICE ACTIVITIES

- Appointed Member: Unifying Scientific Message, Riley Foundation, Steering Committee (2015)
- APLU Task Force on Antibiotic Use in Agriculture (2014-15)
- University of Nebraska Presidential Search and Screening Committee (2014)
- National Research Council Review Team of USDA-AFRI National Academy of Sciences (2013-14)
- Host Committee: Cattlemens Ball of Nebraska (Fund Raiser for UNMC Buffett Cancer Center) (2014-15)
- Current Board Member: Neogen Corporation
Ag and Food STEM Council, STEMConnector
Farm Foundation Roundtable
American Society of Animal Science Foundation
Chicago Council on Global Affairs Agricultural Roundtable
AGree Roundtable
Nebraska Innovation Campus Development Corporation
NU TechVentures
Nebraska Hall of Agricultural Achievement
Agriculture Builders of Nebraska
Nebraska 4-H Foundation
Agricultural Distance Education Consortium
- President, Member of Executive Committee, Board of Directors, American Society of Animal Science (2009-12)
- Board of Directors, Federation of Animal Science Societies (FASS) (2010-14)
- Music and Drama Ministry, El Salvador Habitat for Humanity Mission Team, Sheridan Lutheran Church, Lincoln, Nebraska (2012-present)
- Executive Secretary, White House Interagency Working Group on Domestic Animal Genomics, National Science and Technology Council, U.S. Office of Science and Technology Policy, Executive Office of the President (2003-08)
- Chair, USDA Animal Genomics Strategic Planning Task Force (2006-07)
- Co-Chair, European Union – U.S. Livestock Genomics Workshop, EU-US Biotechnology Task Force (2006-08)
- Appointed Member, U.S. Beef Improvement Federation Commission on the Future of Genome-Enabled Beef Cattle Improvement (2006-08)
- Expert Panelist, European Commission, Framework Programme 7, RTD E – Biotechnologies, Agriculture and Food – Livestock Genomics (2007-11)
- Expert Panelist, Review of NRSP-8 (5-year), Animal Genomics, USDA-CSREES (2007)

Appointed Co-Chair, USDA/ARS Process Reengineering Task Force (2007-08)

International Bovine Genome Sequencing Project Advisory Council, USDA Representative (2003-08)

Chair, International Bovine Genome Project Technical Committee (2004-08)

USDA Project Manager, International Bovine Genome Sequencing Project (2003-08)

International Swine Genome Sequencing Consortium, USDA Representative (2004-08)
NCBA Production Research Committee (2003-10)

Member, Board of Directors, American Society of Animal Science (2004-08, 2009-12)

Recording Secretary, American Society of Animal Science (2004-07)

Member, Executive Committee, American Society of Animal Science (2004-07; 2009-12)

National Beef Cattle Evaluation Consortium, Board of Directors (Ex-Officio Member, 2006-08)

NCBA Research & Knowledge Management, Research Priorities Panel, Product Enhancement (Chair 2004)

American Dairy Science Association DISCOVER Conference Series Steering Committee (2003-11)

USDA National Animal Germ Plasm Program Coordinating Committee (Chair, 2003-08)

Steering Committee, Convergence of Genomics and the Land Grant Mission: Emerging Trends in the Applications of Genomics in Agricultural Research Symposium, Purdue University, September 2007

Chair of Organizing Committee, USDA Joint ARS-CSREES Animal Production and Well-Being Stakeholder Workshop, Kansas City, MO, April 2006

Organizing Committee, Bovine Genome II Symposium, Houston, TX, March 2005

Organizing Committee, DISCOVER Conference on Animal Germ Plasm, Cheyenne, WY, November 2004

Organizer, USDA Animal Genomics Workshop, Washington, DC, September 2004

Organizing Committee, USDA/ARS National Scientific Leadership Conference, New Orleans, LA, January 2004

Organizer, USDA/ARS Swine Production Research Workshop, Ames, IA, December 2003

Organizing Committee, AviGenics Chicken Genome Symposium, Atlanta, GA, November 2003

National Cattlemens Beef Association and Pfizer, Inc. Beef Industry Speaker Bureau (since 1996)

Appointed Member, Awards Committee, Western Section, American Society of Animal

Science (1996-2005)

Ad hoc reviewer for: *Journal of Animal Science*
Journal of Dairy Science
Journal of Meat Science
Proceedings of National Academy of Sciences
Canadian Journal of Animal Science
South African Journal of Animal Science
Animal Genetics
BMIC

Lay Minister, Music Ministry, Zion Lutheran Church and Sutton Federated Church,
Sutton, Nebraska (United Church of Christ and United Methodist Church)
(2003-2012)

2000-2003: Member, Elder, Worship Leader, Kiowa Creek Community Church (Presbyterian
Church-USA)

1997-2003: Lay Ministry Leader, Northern Colorado Walk to Emmaus Community

1995-2002: Chairperson, Emerging Technologies Committee, U.S. Beef Improvement
Federation

Western Region Executive Secretary and Member of National Board of Directors, U. S.
Beef Improvement Federation

1999-2000: Panel Manager, USDA-CSREES Small Business Innovative Research Grants Program,
Washington, DC

Editor of Joint BEEF Magazine / CSU / Beef Improvement Federation "Genetics Issue"
(Published in February 2000)

Co-Chair (with Larry Cundiff and Dick Quaas), 7th Beef Improvement Federation
Genetic Prediction Workshop

Chair, Collegiate Livestock Leaders Institute, NCBA / ASAS / National Block and
Bridle Club

Invited Panelist, FAIR 2002, Washington, DC

1998-2000: National President, National Block and Bridle Club

Colorado Agricultural Experiment Station Administrative Intern, USDA ESCOP/ACOP
Program

Director, Interdisciplinary Competitive Research Grants Program, Colorado Agricultural
Experiment Station

Co-Director, Western Center for Integrated Resource Management, Colorado State
University (other Co-Director was Gordon Niswender)

Breed Association Liaison, National Carcass Merit Project, National Cattlemen's Beef
Association

Curriculum Vitae -- Ronnie D. Green, Ph.D.,

- 2000-01: Research Advisory Technical Subcommittee, Product Enhancement, Science and Technology Committee, National Cattlemens Beef Association
- 1999-2002: Beef Species Advisory Committee, National Animal Germ Plasm Program, USDA-ARS
- 1990-2000: Experiment Station Representative to Western Region Beef Cattle Breeding Coordinating Committee (WCC-1) of CSREES
(Chair, 1994-95)
(DNA Repository Coordinator, 1995-2000)
(Writing Committee Chair, 1996-97)
- 1997-2000: Appointed Member, Advisory Committee and Executive Committee, Western Section, American Society of Animal Science (Chair 1998-99, 1999-00)
- 1996-2000: Active Member, Deacon, Soloist, Worship Team, Adult Sunday School Teacher, Wellington Federated Church, Wellington, CO
- 1995-2000: Appointed Member, Teaching Committee, American Society of Animal Science (Chair 1999-2000)
- Appointed Member, Cow-Calf Efficiency Task Force, Natl. Cattlemens Beef Association
- Appointed Member, Carcass Size/Growth EPD Task Force, Natl. Cattlemens Beef Association
- Faculty Director, John E. Rouse Colorado State University Beef Improvement Center
- Ex-Officio Member, Breeder's Task Force, American Quarter Horse Association
- Advisory Council Member on Research Funding, Samuel Roberts Noble Foundation, Ardmore, OK
- 1994-2000: Soloist, Department of Athletics, Colorado State University
- Advisor, Colorado State Block and Bridle Club
- 1998-99: Organizer and Chair of "Genetic Engineering for Profit" Program of Cattlemens College for 1999 National Cattlemens Beef Association Convention, Charlotte, NC
- Organizer and Chair of Joint BEEF Magazine / NCBA / Beef Improvement Federation "Genetics Issue" (Published April 1999)
- 1997-98: Appointed Member, Animal Care and Use Committee, Colorado State University
- Peer Reviewer and Panelist, USDA-CSREES Higher Education Challenge Grants Program, Washington, DC
- Coordinator, 1997 Colorado State University/AustraLearn Rural Studies Tour to Australia and New Zealand
- 1996-98: Convention Chairperson and Coordinator, 78th National Block and Bridle Club Convention, Denver, CO, January 1998

Curriculum Vitae -- Ronnie D. Green, Ph.D.,

- 1996-99: Faculty Advisor, Agricultural Council, Colorado State University College of Agricultural Sciences
Faculty Advisor, Fellowship of Christian Cowboys, Colorado State University
- 1995-97: National Vice President, National Block and Bridle Club
- 1995-96: Facilitator, Future Focus Strategic Planning Task Force, U. S. Beef Improvement Federation
Chairperson, Biotechnology Committee, U.S. Beef Improvement Federation
- 1992-96: Experiment Station Representative to National Genetics of Body Composition in Beef Cattle Project (NC-196) of CSREES (Writing Committee, 1994-95)
- 1994-96: Member, Organizing Committee, World Hereford Congress (held in Fort Collins, CO in 1996)
- 1994-95: Member, National Beef Tenderness Plan Task Force, National Cattlemens Association
Agricultural Sciences Representative, Faculty Council, Colorado State University
Soloist, Choir Member, Active Member, Immanuel Christian Reformed Church, Fort Collins, CO
- 1991-95: Secretary-Treasurer, National Block and Bridle Club
- 1991-93: Chairman, Ultrasound Certification Subcommittee, U. S. Beef Improvement Federation
- 1990-93: Chairman, Lubbock Presbyterian Council
Agricultural Sciences Senator, Texas Tech Faculty Senate
- 1990-91: Ruling Elder, Westminster Presbyterian Church, Lubbock, TX
- 1988-94: Soloist, Choir Member, Music Ministry, Active Member, Westminster Presbyterian Church, Lubbock, TX
Advisor, Texas Tech Block and Bridle Club
Texas Tech Academic Quadrathlon Program
- 1988-90: Advisor, Beta Xi Chapter Alpha Gamma Rho Fraternity, Texas Tech University
- 1987-88: Choir Member, Music Minister, Active Member, Westminster Presbyterian Church, Lincoln, NE
- 1985-87: Music Director, Bethel Baptist Church, Lincoln, NE
- 1984-85: Advisor, Rho Chapter Alpha Gamma Rho Fraternity, Colorado State University
- 1982-83: President, Virginia Tech Block and Bridle Club
Secretary, Virginia Tech Alpha Gamma Rho

Vice Chairman, Virginia Tech Agricultural Club Council

1981-82: President, Virginia Tech Collegiate FFA

Prior 1981: State Vice President, Virginia Association FFA
FFA State and American Farmer Degrees
Virginia 4-H All Star
Vice President, Virginia Junior Angus Association
Board Member, Northeast Regional Junior Angus Show
Delegate, American Junior Angus Association

MAJOR INVITED LECTURES AND PRESENTATIONS

1. 2015 Range Beef Cow Symposium, Fort Collins, CO, “The World of 2015 Where Consumer Opinion Trumps Science”
2. 2015 National Meeting of the Grange Society, Lincoln, Nebraska, “Living in 2015 but Thinking in 2050 — Achieving Global Food Security and Water Sustainability”
3. 2015 Disruptive Innovations Conference, STEMConnector, National Press Club, Washington, DC, “Public-Private Partnerships to Advance STEM Workforce Development in Ag & Food”
4. 2015 International Genomics Symposium, American Angus Association, Overland Park, KS, “Realization of the Genome-Enabled Era of Cattle Improvement”
5. 2015 Joint Heuermann Lecture / National Rural Futures Conference, Lincoln, Nebraska, “40 Chances – Reflections of Howard G. and Howard W. Buffett” (Moderator)
6. 2015 Reciprocal Meats Conference, National Meeting of American Meat Science Association, Lincoln, Nebraska, “Meeting 2050 Global Demand for Animal Protein in a Dichotomous World”
7. 2015 National Ag Day Forum, AGRI-PULSE, Washington, DC, “Public-Private Partnerships in Innovating for Global Food Security”
8. 2014 Sigma Xi National Conclave and the Institute for Science in Global Policy, Glendale, AZ, “Living in 2014 but Thinking in 2050 — Achieving Global Food Security and Water Sustainability”
9. 2014 INNOVATE Conference, American Society of Animal Science, Brainerd, MN, “The Role of the Contemporary Land-Grant University in Global Food Security”
10. 2014 American Institute for Indonesian Studies and Fulbright Indonesia, Jakarta, INDONESIA, “Global Food Security: Living in 2014 but Thinking in 2050”
11. 2014 Board of Directors, Alliance for a Green Revolution in Africa (AGRA), “The Challenge of Water and Food”
12. 2014 Annual Meeting, U.S. Beef Improvement Federation, “50 Years of Impact Through the U.S. Meat Animal Research Center”
13. 2014 Celebration of 50th Anniversary of the USDA-ARS U.S. Meat Animal Research Center, Clay Center, NE. “The Value of Publicly Funded Research”
14. 2014 Advancing Food Security in the Face of Climate Change, Chicago Council on Global Affairs, Washington, DC, “The Water Challenge”
15. 2014 Governor’s Ag Outlook Forum, Kearney, NE, “Advancing Livestock Expansion in Nebraska”
16. 2013 Grain Forum, Chinese State Administration of Grain, Zhengzhou, Henan, CHINA, “The Challenge of Safety, Quality, and Value-Added Potential for Chinese Grain Supplies”
17. 2013 Transatlantic Dialogue, Nebraska Department of State, Lincoln, NE, “Meeting the 2050 Food and Water Security Challenge”

18. 2013 Stockholm World Water Week, Stockholm, SWEDEN, “The Great Drought of 2012: Evidence of the Power of Technological Innovation in American Agriculture”
19. 2013 Joint Annual Meeting, American Society of Animal Science, Indianapolis, IN, “The Legacy of Cundiff, Dickerson, Gregory, Koch, and Van Vleck”
20. 2013 Global Water for Food Conference, Lincoln, NE “Lessons from the Great Drought of 2012”
21. 2013 Global Harvest Initiative Water Forum, National Press Club, Washington, DC, “Too Hot, Too Wet, Too Dry: Building Resilient Agriculture”
22. 2013 Governor’s Ag Outlook Forum, Kearney, NE, “Livestock Expansion for Nebraska: Possibilities for Global Leadership”
23. 2013 Zoetis CEO Roundtable, Miami, FL, “Beef Industry Issues and Challenges”
24. 2012 Agriculture Future of America Annual Conference, Kansas City, MO, “Work-force Needs for Agriculture in 2050”
25. 2012 Heuermann Lecture, Lincoln, Nebraska, “Reflections of Four Former U.S. Secretaries of Agriculture on the 150th Anniversary of the Morrill Act” (Co-Moderator with Jeff S. Raikes)
26. 2012 Food Animal Integrated Research Symposium, Federation of Animal Science Societies, Washington, DC, “Training the Next Generation of Animal Scientists”
27. 2012 National Rural Futures Conference, Lincoln, NE, “ A New Model for Land-Grant University Engagement in the Rural Great Plains”
28. 2012 Distinguished Lecture Series, Michigan State University Environmental Science and Policy Program and Center for Water Sciences, East Lansing, MI, “Plowing New Ground in Water: The Daugherty Water for Food Institute”
29. 2012 Teaching and Learning in the Animal Sciences Conference, Madison, WI, “Changing the Paradigm for Animal Science Education in the 21st Century”
30. 2012 Innovate Conference, American Society of Animal Science, Shell Beach, CA, “Funding Livestock Research and Outreach in the Future”
31. 2012 New Framework Dialogue, Chicago Council on Global Affairs, Des Moines, IA, “A New Framework for U.S. Agricultural Science and Technology”
32. 2012 Council on Competitiveness Workshop Energy-Food-Water Dialogue, Davis, CA, “Innovating at the Nexus: Meeting Future Demand through Science and Technology”
33. 2011 Indo-US Science and Technology Council Workshop, Chennai, INDIA, “The Water and Food Nexus is the Great 2050 Challenge”
34. 2011 Transatlantic Dialogue, Nebraska Department of State, Lincoln, NE, “The Challenges at the Nexus of Food-Energy-Water”
35. 2011 Biotechnology Webinar Series, Federation of Animal Science Societies, “The State of Science in Biotechnology”

36. 2010 Honor Alumni Lecture, College of Agriculture and Life Sciences, Virginia Tech, Blacksburg, VA, “Making Livestock Genomes Come to Life for Innovation of Animal Agriculture”
37. 2010 Peterson Graduate Symposium, University of Minnesota, St, Paul, Minnesota, “What Does Industry Need from Graduate Education?”
38. 2010 National Wheat Genomics Workshop, Lincoln, NE, “Making Investments in Sequencing Livestock Genomes Come to Life”
39. 2010 Novos Enfoques Bovine Reproduction Congress, Uberlandia, MG, BRASIL, “Perspectives on the Global Cattle Production of the Future”
40. 2010 Canadian National Bovine Conference, Cancun, MEXICO, “Cattle Genomics Comes of Age”
41. 2009 Range Beef Cow Symposium, Casper, Wyoming, “Opportunities for Selection in the Genomics Decade”
42. 2009 Australasian Association of Animal Breeding and Genetics, Adelaide, SA, AUSTRALIA, “Breeding Cattle in the Future”
43. 2009 Annual Meeting, Joint Annual Meeting, American Society of Animal Science, American Dairy Science Society, Montreal, CANADA, Triennial Reproduction Symposium, “A Global Perspective on the Evolution of Animal Agriculture”
44. 2009 Embrapa National Beef Symposium, Campo Grande, Mato Grosso, BRASIL, “The Industry and Research in Genomics: Competition or Partnership?”
45. 2009 Canadian National Veterinary Advisory Council, Montreal, CANADA, “The Genome Era for Beef and Dairy Cattle”
46. 2009 National Pedigreed Livestock Council Annual Meeting, Kansas City, MO, “Commercialization of Genomics in Cattle and Sheep”
47. 2009 Annual Meeting, National Cattlemens Beef Association, Phoenix, AZ, “The Genetic Selection Toolbox – Feed Efficiency”
48. 2009 Plant and Animal Genome Meeting, San Diego, CA, “Bringing Genomics to Practical Application in the Cattle Industries”
49. 2008 Academy of Veterinary Consultants, Denver, CO “Beef Cattle Genetic Improvement and Precision Management with Genomics”
50. 2008 Annual Meeting, California Cattlemens Association, Reno, NV, “The Cattle Genome Era”
51. 2008 Australian Registered Cattle Breeders Association, EKKA, Brisbane, QLD, AUSTRALIA, “Future Use of DNA Markers in Cattle Improvement”
52. 2008 Centennial Meeting, American Society of Animal Science, Indianapolis, IN, “What is the Future of Animal Breeding?”
53. 2008 Centennial Meeting, American Society of Animal Science, Indianapolis, IN, “Bright Futures for Graduate Students in the Federal Government”

54. 2008 Distinguished Lecturer, Department of Animal Sciences, The Ohio State University, “The New Generation of Animal Sciences”
55. 2008 Plant and Animal Genome Meeting, San Diego, CA, “Developing a Functional Research Partnership in Applied Bovine Genomics – U.S., Canada, Australia, and New Zealand”.
56. 2008 Annual Meeting of the American Sheep Industry Association, Las Vegas, NV, “New Horizons in Sheep Genomics Research – The U.S. and Australia”.
57. 2007 Bill and Melinda Gates Foundation Symposium, National Academy of Sciences, Washington, DC, “Opportunities in Animal Genomics for Improving Quality of Life in the Developing World”.
58. 2007 Genome Canada Swine Genomics Summit, Toronto, ONT, CANADA, “U.S. Federal Perspective on Funding Genomics”.
59. 2007 Genome Canada Livestock and Aquaculture Genomics Summit, Ottawa, ONT, CANADA, “The State of the Art of Livestock Genomics”.
60. 2007 Annual Meeting of the U.S. Beef Improvement Federation, Fort Collins, CO, “Are Today’s Research and Education Efforts Relevant?”.
61. 2007 Leadership Workshop, American Angus Association and Certified Angus Beef, Kansas City, MO, “What Should the Beef Seedstock Industry Do With Applied Genomics?”.
62. 2007 Genomics Opportunities Workshop, USDA-ARS North Atlantic Area, Shepherdstown, WV, “Opportunities in Agricultural Animal Genomics”.
63. 2007 National Agricultural Library Seminar Series, Washington, DC, “Applied Animal Genomics – Delivering on the Promise”.
64. 2007 Annual Meeting of the National Cattlemen’s Beef Association, Nashville, TN, “USDA Research Initiatives for the Beef Cattle Industry: 2007-2012”.
65. 2007 Annual Meeting of the American Sheep Industry Association, San Antonio, TX, “Future Opportunities in Sheep Genomics Research”.
66. 2006 Strategic Planning Session, Alliance for Animal Genomics Research, Washington, DC, “Next Steps to Capitalize on the Investment in Animal Genomes”.
67. 2006 Pfizer Genomics Brain Trust Symposium, New York, NY, “Applications of Genomics to the Livestock Industries in the Post-Genome Sequencing Era”.
68. 2006 Merial Igenity “Lariat” Symposium, Kansas City, MO, “The Future of Cattle Genetic Improvement Following the Bovine Genome”.
69. 8th World Congress on Genetics Applied to Livestock Production, Belo Horizonte, BRAZIL, “Sequencing the Bovine Genome and Impact on Future Research”.
70. 2006 Texas A&M University Beef Cattle Shortcourse, College Station, TX, “Overview of the International Bovine Genome Sequencing Project”.
71. 2006 EU-US Livestock Genomics Workshop, Brussels, BELGIUM, “The USDA Animal Genomics Strategic Plan – Opportunities for Transatlantic Cooperation”.

72. 2006 Annual Meeting, American Society of Animal Science, Minneapolis, MN, “Bureacracy Surrounding Stem Cells and Cloning”.
73. 2006 Monsanto Guest Lecture Series, St. Louis, MO, “Capitalizing on the Bovine and Porcine Genome Sequences”.
74. 2006 Select Sires Think Tank, Columbus, OH, “Revolutionizing Dairy and Beef Cattle Breeding: Implications of Having the Bovine Genome Sequence!”.
75. 2006 Board of Directors Meeting, Texas Beef Council, Austin, TX, “Status of the Bovine Genome Sequencing Project”.
76. 2006 Annual Meeting of the National Cattlemens Beef Association, Denver, CO, “Update on the Bovine Genome Sequencing Project”.
77. 2006 Plant and Animal Genome Meeting, San Diego, CA, Convener and Moderator of Bovine Genome Project Session.
78. 2005 Strategic Planning Session, Alliance for Animal Genomics Research, Chicago, IL, “Charting the Course for Capitalizing on the Investment in Animal Genomes”.
79. 2005 World Dairy Expo, Madison, WI, “The Future of Dairy Genetics as Influenced by the Bovine Genome Project”.

161. 1998 Annual Meeting, Georgia Cattlemens Association, Athens, GA, "Research in Beef Cattle Carcass Genetics?".
162. 1998 Four Corners Beef Symposium, Durango, CO, "Sire Selection in the 90's".

163. 1998 Annual Meeting, North American South Devon Breeders Association, Denver, CO, “The Challenge of Increasing the Quality and Consistency of Beef Production”.
164. 1998 National Block and Bridle Convention, Denver, CO, “Do Current Youth Education Programs Prepare People to be Successful in Animal Agriculture?”.
165. 1998 Annual Convention, National Cattlemens Beef Association, Science & Technology Committee, Denver, CO, “The National Genetics of Carcass Merit Project”.
166. 1997 Annual Meeting of the American Academy of Veterinary Consultants, Colorado Springs, CO, “Genetics of Beef Quality”.
167. 1997 Annual Meeting, Colorado Simmental Association, Fort Morgan, CO, “Genetic Selection in the 90’s: How Will We Overcome the Challenges?”.
168. 1997 National Tenderness EPD Symposium / Planning Meeting, American Simmental Association and the National Cattlemens Beef Association, Kansas City, MO, “Genetics of Beef Tenderness: What do We Know and What do We Not Know?”.
169. 1997 Field Day, Colorado Red Angus Association, Gill, CO, “Do Red Angus Cattle Fit Future Specs?”.
170. 1997 Annual Meeting of Composite Cattle Breeders Alliance, Wichita Falls, TX, “Composite Cattle Breeding 101”.
171. 1997 National Sheep Improvement Program, American Sheep Industry Council, Longmont, CO, “How Should the Serious Sheep Breeder Use the New EPD Technology?”.
172. 1997 Math/Science Exploration Program, Poudre High School, Fort Collins, CO, “What’s Up with Gene Mapping?”.
173. 1997 Buffalo Creek – Beckton Stock Farms Sale Cattlemens College, Sheridan, WY, “Genetic Selection in the 90’s: How Do We Overcome the Challenges?”.
174. 1997 Colorado/National Western Stock Show Horse Expo, Denver, CO, “The Basics of Applied Equine Genetics”.
175. 1997 Colorado Association of Bovine Practitioners, Fort Collins, CO, “Breeding Systems and Technology Simplified”.
176. 1997 Farmland Industries Cow-Calf Shortcourses, Durango and Grand Junction, CO, “A Cowboy’s Interpretation of EPDs”.
177. 1997 PM Ag Products Distributors Leadership Workshop, Greeley, CO, “Interpreting and Using National Cattle Evaluation and EPDs”.
178. 1997 Kansas Cow-Calf Clinics, Hutchinson and Wichita, KS, “The Economics of Carcass Merit in Beef Cattle”.
179. 1997 Intermountain Beef Cow Symposium, Twin Falls, ID, “The Carcass Revolution and Your Pocketbook”.
180. 1996 North Dakota Cow-Calf Conference, Jamestown, ND, “Can We Afford Technology in Today’s Beef Cattle Industry?”.

181. 1996 Congress of Genetics and Reproduction, Brazilian Association of Zebu Cattle Breeders, Uberaba, Brazil, “The Impact of DNA Technology on Beef Cattle Selection”.
182. 1996 Rancher’s Renaissance, Clear Fork Initiative, Stamford, TX, Facilitator.
183. 1996 Value Based Marketing Workshop, Fink Beef Genetic Systems, Manhattan KS, “How Can We do Value-Based Marketing Without Carcass EPDs?”.
184. 1996 World Hereford Congress, Fort Collins, CO, “Demystifying DNA Technology?”.
185. 1996 World Hereford Council, Fort Collins, CO, Moderator, “Setting Worldwide Policy on Technology Use”.
186. 1996 Beefmaster Breeders United Annual Field Day, Lasater Ranch, Matheson, CO, “The Beef Cattle Industry Can Face Its Problems”.
187. 1996 National Cattlemens Beef Association Mid-Year Meeting, Nashville, TN, Seedstock Council Meeting Moderator, “What is the Seedstock Industry Going to do to Respond to the 95 NBQA?”.
188. 1996 Field Day, Colorado State University Beef Improvement Center, Saratoga, WY, “Should You be Concerned About Carcass Traits?”.
189. 1996 Annual Meeting of American Society of Animal Science, Rapid City, SD, “Incorporating Research into the Undergraduate Teaching Process”.
190. 1996 Strategic Planning Future Focus Task Force of the Beef Improvement Federation, Kansas City, MO, Facilitator.
191. 1996 Beef University, Colorado State University and Colorado Beef Council, Fort Collins, CO, “Genetics as a Critical Control Point in PACCP Programs” and “Internet Access and Use for Cattlemen”.
192. 1996 Annual Meeting of Beef Improvement Federation, Birmingham, AL, “Carcass EPDs: Put Up or Shut Up!”.
193. 1996 U.S. Youth Beef Industry Congress, Denver, CO, “Revolutionizing the Cattle Industry with DNA Technology”.
194. 1996 Red Angus Association of America Breeders Brain Trust, Denver, CO, “Getting Past Go on Carcass EPDs”.
195. 1996 Cattlemens’ College, National Cattlemens Beef Association Annual Convention, San Antonio, TX, “Associations Between Polymorphisms in the Bovine Calpastatin Gene and Measures of Beef Palatability in *Bos Taurus* and *Bos Indicus* Crosses”.
196. 1995 (5th) Beef Improvement Federation Genetic Prediction Workshop, Kansas City, MO, “Live Animal Measures for Carcass EPD Prediction”.
197. 1995 (XIV) Range Beef Cow Symposium, Scottsbluff, NE, “How Important are Carcass EPDs?”.
198. 1995 Breeders Task Force Planning Session, American Quarter Horse Association, Amarillo, TX, “Needs for Developing National Quarter Horse Genetic Evaluation”.

199. 1995 Strategy Workshop, National Beef Quality Audit -- 1995, National Cattlemens Beef Association, Denver, CO, "Strategies for Biological Type Variation Management".
200. 1995 Annual Meeting, Northwest Nebraska Cattlemen, Crawford, NE, "Hi-Tech Beef Production".
201. 1995 Field Day, Colorado Ranch to Rail Program, Fort Collins, Co, "Genetics of Carcass Merit".
202. 1995 Field Day, Colorado State University San Juan Basin Research Center, Hesperus, CO, "Searching for Genes to Improve Reproductive Efficiency".
203. 1995 Annual Meeting of Beef Improvement Federation, Sheridan, WY, "Is It Possible to Decrease Costs in an Era of Increasing Technology?".
204. 1995 Cattlemen's College, Annual Meeting of National Cattlemens Beef Association, Nashville, TN, "Identification of Genetic Critical Control Points for Improving Beef Tenderness".
205. 1995 Annual Meeting of American Gelbvieh Association, Denver, CO, "Balancing the Genetics of Eating Quality and Productivity".
206. 1994 Joint Youth Leadership Conference, American Gelbvieh Association, American Salers Association and North American Limousin Foundation, Denver, CO, "Factors Leading to Value-Based Marketing".
207. 1994 Cattlemen's Forum, R. A. Brown Ranches, Throckmorton, TX, "What Exactly is Composite Cattle Breeding?".
208. 1994 Field Day, Colorado State University Beef Improvement Center, Saratoga, WY, "The New Genetics Language".
209. 1994 Mid-Year Meeting of National Cattlemen's Association, Denver, CO, "A Cowboy Interpretation of EPDs" (with Tom Field).
210. 1994 Annual Meeting of Beef Improvement Federation, Des Moines, IA, "Retail Product Percentage EPD: Perceived Status and Needs".
211. 1994 National Instrument Grading Conference, National Livestock and Meat Board, Chicago, IL, "Ultrasonic Prediction of Retail Yield EPD".
212. 1994 Annual Field Day, Great Western Beef Expo, Sterling, CO, "How About Tenderness?".
213. 1994 (4th) Genetic Prediction Workshop, Beef Improvement Federation, Kansas City, MO, "Body Composition EPD's".
214. 1993 Limousin Leader's Opportunity Regional Forum, Lubbock, TX, "How Do Seedstock Producers Respond to Industry Changes?"
215. 1993 Research Committee Meeting of Texas & Southwestern Cattle Raisers, Lubbock, TX. "Genetic Screening for Tenderness".
216. 1993 Southwest Beef Efficiency Enhancement Forum, Lubbock, TX, "EPD's: Fact or Fiction?".

217. 1993 Technology for Latin America: Beef Industry Program Symposium, College Station, TX, "The Use of EPD's in Beef Breeding Herds".
218. 1993 NCA Mid-Year Meeting, Denver, CO, "Summary of Carcass E.P.D. Directed Research".
219. 1993 American Breeds Coalition Self-Study Symposium, San Antonio, TX, "Genetic Opportunities for Improvement of Carcass Merit in *Bos Indicus*-Influenced Breeds".
220. 1993 Board Meeting of American Braunvieh Breeders Assoc., San Antonio, TX, "What Do We Know About Braunvieh Cattle in the U.S.?".
221. 1993 Beef Improvement Federation Ultrasound Symposium, Ames, IA, "Procedures and Data Processing Involved in Using Real-Time Ultrasound Data in the Seedstock Industry for Genetic Improvement".
222. 1993 Annual Meeting, Santa Gertrudis Breeders International, Nashville, TN, "Genetic Enhancement of Tenderness via Screening with a Gene Probe for the Calpastatin Enzyme".
223. 1993 "Matching Beef Cattle to Western Environments Symposium". Phoenix, AZ and Calgary, Alberta, CANADA, "Genetic and Environmental Factors Affecting Survivability and Disease Resistance in Beef Cattle".
224. 1992 Texas Agricultural Leadership for a Lifetime Training, "Biotechnology in the Animal Sciences".
225. 1992 State of Texas Vocational Agriculture Instructors Training Workshop, Abilene, TX, "What is This Biotech Word?".
226. 1992 International Limousin Conference, Fort Worth, TX, "Genetics of Scrotal Circumference and Fertility in Beef Cattle".
227. 1992 Texas Beef Industry Council's "Word from the Herd" National Media Writers Tour, Pitchfork Ranch, Guthrie, TX, "Cattle Breeding Enters the Biotech Era".
228. 1992 Annual Meeting of Beef Improvement Federation, Portland, OR, "Recommended Guidelines for BIF Ultrasound Certification".
229. 1992 Arkansas:Oklahoma Beef Cattle Clinic, Fort Smith, AR, "Where are We Going in the Beef Cattle Industry?".
230. 1992 North American Limousin Foundation Feeders Edge Symposium, Lubbock, TX, "Genetic Change in Beef Cattle Composition and Palatability".
231. 1992 Annual Mtg. of NC-196 National Genetics of Body Composition CSRS Project, Tucson, AZ, Moderator of Ultrasound Workshop.
232. 1991 Annual Meeting of Beef Improvement Federation, San Antonio, TX, "Ultrasound Technician Certification: Questions Needing Answers".
233. 1991 Annual Meeting of Texas and Southwestern Cattle Raisers Association, Corpus Christi, TX, "Genetic Change in Beef Cattle Carcass Merit Through Ultrasound Technology?".
234. 1991 Texas A&M Extension Agent Training, Lubbock, TX, "Beef Cattle Ultrasound Technology for Predicting Carcass Merit".

235. 1991 Texas Tech University Golden Spur Livestock Day, "Breeding for Added Value".
236. 1990 Texas Tech University Golden Spur Livestock Day, "Genetic Opportunities for Improved Carcass Merit in Beef Cattle".

MISCELLANEOUS PRESENTATIONS

1. Numerous speaking engagements as NU Vice President/IANR Harlan Vice Chancellor (2010-present).
2. Speaker for Briefings of National Cattlemens Beef Association, National Pork Board, National Pork Producers Council, Animal Ag. Coalition, National Assoc. of Animal Breeders, American Sheep Industry, American Forage Grasslands Council (2003-2008).
3. Speaker for Foreign Journalists National Tour, Natl. Assoc. of Animal Breeders (1997, 1998, 1999, 2000).
4. Speaker for Food Editors Tour of National Cattlemens Beef Association (1992, 1994, 1995, 1996, 1997, 1998).
5. Speaker for Australian Grain and Livestock Producers Tour (1996, 1997, 1998).
6. Speaker for Alberta (Canada) Cattlemens Tour (1996).
7. Speaker for Rocky Mountain Expeditionary School, Denver (1996).
8. Speaker for Enrichment Program, Windsor (CO) Middle School (1996, 1997); Poudre H.S. (Fort Collins, CO) (1997).
9. Speaker for visiting cattle tour groups from Tennessee, North Carolina, Texas, Oklahoma, Montana, Indiana, Australia, Brazil, South Africa, Poland, Russia, Ukraine, and New Zealand (1992-1999).
10. Host and speaker for Purdue University Animal Industry Study Tour (1992, 1995); and Colorado State University Animal Industry Tour (1991).
11. Speaker and Facilitator for Rho Chapter of Alpha Gamma Rho Leadership Retreat and Rush (1995, 1997).

Summary of Student Evaluations:

A summary of the student evaluations as administered by the College of Agricultural Sciences (CSU):

| Course | Term | No. Students Evaluating | Ratings of | |
|---------|------|----------------------------|------------|--------|
| | | | Instructor | Course |
| AN 330 | S94 | 54 | 4.80 | 4.11 |
| AN 330 | Su94 | 8 | 4.88 | 4.38 |
| AN 330 | F94 | 61 | 4.80 | 4.44 |
| AN 630 | F94 | 6 | 4.83 | 4.83 |
| AN 330 | S95 | 97 | 4.56 | 4.49 |
| AN 330 | F95 | 78 | 4.88 | 4.65 |
| AN 300Q | S96 | 22 | 4.79 | 4.29 |
| AN 300M | S96 | 31 | 4.97 | 4.58 |
| AN 300M | S97 | 13 | 5.00 | 4.85 |
| AN 330 | F97 | 104 | 4.75 | 4.50 |
| AN 630 | F97 | 7 | 4.71 | 4.57 |
| AN 300M | S98 | 16 | 5.00 | 4.56 |
| AN 330 | F98 | 114 | 4.88 | 4.67 |
| AN 630 | F98 | 5 | 4.50 | 4.75 |
| AN300M | S99 | 12 | 5.00 | 4.60 |
| AN330 | F99 | 114 | 4.62 | 4.26 |
| A120 | F99 | 91 | 4.87 | 3.40 |

*All ratings on scale of possible 5.00. Every course under Dr. Green's instruction ranked in the top 10% of all courses taught in both College and University cohorts for both instructor and course ratings.

A summary of the student evaluations as administered by the College of Agricultural Sciences and Natural Resources (Texas Tech University):

| Course | Term | No. Students Evaluating | Ratings of | | |
|-----------|------|----------------------------|------------|------------|--------|
| | | | Content | Instructor | Course |
| ANSC 3402 | S89 | 15 | 5.07 | 5.29 | 5.00 |
| ANSC 3402 | F89 | 20 | 5.06 | 5.33 | 4.95 |
| ANSC 3402 | S90 | 26 | 5.27 | 5.55 | 5.18 |
| ANSC 4403 | S90 | 31 | 4.96 | 5.21 | 4.92 |

**All ratings on scale of possible 6.00. Evaluations were changed in F90. Evaluations were not done by TTU in F90. The form of the evaluation changed beginning in S91. Ratings are given below.

| Course | Term | No. Students Evaluating | % Students Responding to "Course Overview" | | |
|-------------------------|------|----------------------------|---|-------------|------------|
| | | | Excellent | Good | Fair |
| ANSC 3402 | S91 | 37 | 70.3 | 20.7 | 0 |
| ANSC 4403 | S91 | 39 | 84.6 | 15.4 | 0 |
| ANSC 3402 | S92 | 34 | 64.7 | 29.4 | 5.9 |
| ANSC 4403 | S92 | 29 | 51.7 | 31.0 | 17.2 |
| ANSC 3402 | F92 | 36 | 91.7 | 8.3 | 0 |
| ANSC 4403 | S93 | 45 | 75.6 | 22.2 | 2.2 |
| ANSC 3402 | F93 | 35 | 82.9 | 17.1 | 0 |
| WEIGHTED AVERAGE | | | 75.3 | 21.7 | 3.0 |

In each evaluation, ratings placed courses under Dr. Green's instruction in the top 10% both in the University and within the College of Agricultural Sciences and Natural Resources.

EXTRAMURAL GRANT CONTRACTS AWARDED

| <i>Year(s)</i> | <i>Title</i> | <i>Amount</i> | <i>Agency</i> | <i>Role</i> |
|----------------|--|---------------|---------------------------------------|---|
| 2005-2007 | “International Swine Genome Sequencing Consortium” | \$12,750,000 | USDA and Natl. Pork Board | Project Steering Committee |
| | (Emphasis: Swine Genomics) | | | |
| | <i>(This project was completed at the Wellcome Trust Sanger Center in the U.K. with total funding of ~\$18M. Green was USDA co-lead on the project with Deb Hamernik from CSREES and served as liaison with the U.S. swine industry).</i> | | | |
| 2005-2007 | “International Bovine Haplotype Map Consortium” | \$435,950 | Multiple Cattle Breed Associations | Project Leader |
| | (Emphasis: Bovine Genomics) | | | |
| 2004-2008 | “International Bovine Genome Sequencing Project Consortium” | \$12,300,000 | USDA and U.S. and Texas Beef Councils | USDA Project Liaison |
| | (Emphasis: Bovine Genomics) | | | |
| | <i>(This project was completed at the Baylor Human Genome Sequencing Center (Houston, TX) with total funding of ~\$53M from an international consortium involving USDA, NIH, Genome Canada, Australia CSIRO, New Zealand Ag. Research, King Ranch Foundation, and U.S. and Texas Beef Councils. Green was USDA project coordinator and liaison with the U.S. beef and dairy industries).</i> | | | |
| 1999-2000 | “A National Undergraduate Leadership and Internship Program Through a Strategic Alliance Between Commodity Organizations, FASS, and the National Block and Bridle Organization” | \$60,000 | ASAS, NCBA Natl. Block and Bridle | P.I. |
| | (Emphasis: Undergraduate Industry Leadership) | | | |
| 1998-2001 | “Implementing and Assessing the Economic Returns of EPD for Carcass Traits, Warner-Bratzler Shear Force, and DNA Tenderness Markers of Cattle to Improve Tenderness and Consistency of Beef” | \$880,966 | National Cattlemens Beef Association | Co-P.I. (Partner with Kansas State, Texas A&M, Cornell) |
| | (Emphasis: Beef tenderness genetic improvement) | | | |
| 1998-2001 | “Building Sustainable Ranching Communities with Livestock Integrated Resource Management” | \$427,349 | USDA-CSREES Fund for Rural America | Co-P.I. |
| | (Emphasis: Community-based IRM) | | | |

Curriculum Vitae -- Ronnie D. Green, Ph.D.,

| <i>Year(s)</i> | <i>Title</i> | <i>Amount</i> | <i>Agency</i> | <i>Role</i> |
|----------------|---|---------------|---|-------------|
| 1997-99 | “Determination of the Impacts and Effectiveness of Sexed-Semen Utilization in Commercial Beef Cattle Production” (Emphasis: Sexed-semen utilization) | \$90,520 | Competitive Inter-Disciplinary Grants Program, CO AES | P.I. |
| 1994-2000 | “Breeding Project at the CSU Beef Improvement Center” (Emphasis: Donated semen to support breeding research program) | \$18,000 | Select Sires, Inc. American Breeders Service, Accelerated Genetics, IGM | P.I. |
| 1994-95 | “Breeding Project for QTL Detection of Fertility at San Juan Basin Research Center” (Emphasis: Donated semen on four Gelbvieh sires to produce resource family populations) | \$1,200 | American Breeders Service, Select Sires, Inc. | P.I. |
| 1996-97 | “Genetic Parameters of a Muscle Score in Limousin Cattle” (Emphasis: Development of a live muscle score EPD) | \$1,200 | North American Limousin Foundation | Co-P.I. |
| 1996-97 | “Development of a DNA ID System for Beef Cattle” (Emphasis: DNA bar-coding in cattle) | \$8,000 | Colorado Beef Cattle IRM Program | P.I. |
| 1995-96 | “Identification and Management of Critical Control Points in the Cow-Calf Enterprise for Achieving and Maintaining Consistency and Low Cost of Production” (Emphasis: Balancing technology use with cost reduction) | \$25,650 | Colorado Beef Cattle IRM Program | P.I. |
| 1995-96 | “Identification of Genetic Critical Control Points for Improving Beef Tenderness: Phase II” (Emphasis: Genetics of beef tenderness) | \$91,650 | National Cattlemens Beef Association | Co-P.I. |
| 1994-95 | “Identification of Genetic Critical Control Points for Improving Beef Tenderness: Phase I” (Emphasis: Genetics of beef tenderness) | \$55,890 | National Cattlemens Beef Association | Co-P.I. |
| 1993-94 | “Assessment of a Calpastatin DNA Polymorphism and Its Effect on Beef Tenderness” (Emphasis: Genetic screening for tenderness) | \$20,750 | Consortium of Beef Breed Associations | P.I. |

Curriculum Vitae -- Ronnie D. Green, Ph.D.,

| <i>Year(s)</i> | <i>Title</i> | <i>Amount</i> | <i>Agency</i> | <i>Role</i> |
|----------------|---|---------------|---|-------------|
| 1992-94 | “Genetics of a Double-Muscling Condition in Rambouillet Sheep” (Emphasis: Callipyge sheep characterization) | \$6,000 | Houston Livestock Show & Rodeo | Co-P.I. |
| 1988-93 | “Genetics of Immunocompetence in Beef Cattle” (Emphasis: Genetics of disease resistance) | \$19,800 | Houston Livestock Show & Rodeo | P.I. |
| 1992-94 | “Estimation of the Genetic Relationship Between Ultrasound and Linear Measures Taken in Yearling Bulls and Slaughter Steer Clone-Mates” (Emphasis: Real-time ultrasound for carcass EPDs) | \$68,500 | J.L. Thornton Endowment | P.I. |
| 1992-93 | “Development of a Progeny Testing System to Evaluate Genetic Differences in Maintenance Energy Requirements” (Emphasis: Genetics of feed conversion efficiency) | \$9,170 | Australian Meat Research Corp. | Co-P.I. |
| 1991-92 | “Estimation of the Genetic Relationship Between Ultrasound Measures Taken in Yearling Bulls and Slaughter Steer Mates” (Emphasis: Real-time ultrasound for carcass EPDs) | \$39,000 | Summitcrest Angus Farms | P.I. |
| 1991-93 | “Estimation of Genetic Parameters and EPDs for Scrotal Circumference in Limousin Cattle” (Emphasis: Genetic evaluation of fertility) | \$10,870 | North American Limousin Foundation | P.I. |
| 1991-92 | “Development of Carcass EPDs Using Real-Time Ultrasound” (Emphasis: Ultrasound/carcass EPDs) | \$10,840 | Pine Ridge Ranches | P.I. |
| 1990-92 | “Estimation of Genetic Parameters and EPDs for Ultrasound-Generated 12th Rib Fat Thickness and Longissimus Muscle Area in Yearling Angus Males and Females” (Emphasis: Real-time ultrasound for carcass EPDs) | \$30,000 | Ankony Shadow Isle, Inc. and Occidental Petroleum | P.I. |

Curriculum Vitae -- Ronnie D. Green, Ph.D.,

| <i>Year(s)</i> | <i>Title</i> | <i>Amount</i> | <i>Agency</i> | <i>Role</i> |
|----------------|--|---------------|----------------------------|-------------|
| 1990-91 | “Survey of the Beef Cattle Industry in the Southwestern United States” | \$4,459 | American Angus Association | P.I. |
| | (Emphasis: General beef cattle industry demographics) | | | |
| 1988-89 | “Genetics of Immune Response in Simmental and Senepol Cattle” | \$7,550 | R. A. Brown Ranches | P.I. |
| | (Emphasis: Genetics of disease resistance) | | | |

PUBLICATIONS

THESIS AND DISSERTATION

- Green, R. D.** 1988. Output/input differences among *Bos indicus*-*Bos taurus* and *Bos taurus*-*Bos taurus* sources of germ plasm. Ph.D. Dissertation, Univ. of Nebraska, Lincoln, 225 pp.
- Green, R. D.** 1985. Genetic aspects of pelvic measures in beef cattle. M.S. Thesis, Colo. State Univ., Fort Collins, 116 pp.

COMPLETED THESES AND DISSERTATIONS OF GRADUATE STUDENT ADVISEES (Serving as Major Professor)

1. Uden, A. 2014. Potential African Livestock Value Chain Investments (High level analysis with focus on some indicative Countries of Interest). M. Ag. Thesis. 53 pp, December 2014 (Currently self-employed with Darr Feeders and Ag, Darr and Cozad, NE).
2. Hammett, N. 2000. Development of tools for beef cattle seedstock producers to utilize in becoming full service genetic providers. M. S. Thesis. 107 pp, October 2000 (Currently employed as Marketing Manager, Circle 5 Angus, New Iberia, MO).
3. Doyle, S. P. 2000. Determination of the impacts and effectiveness of sexed-semen utilization in commercial beef cattle production. Ph.D. Dissertation. 291 pp, September 2000 (Currently employed as professor of animal science, California State University, Chico, CA).
4. Ripley, B. M. 2000. Evaluation of the Decision Evaluator for the Cattle Industry (DECI) model for beef cattle ranches in the western region. M. S. Thesis, 116 pp, May 2000 (Currently employed as manager of ranching operation, Sedalia, CO).
5. Mathiews, G. L. 2004. Estimation of genetic parameters for a muscle score to predict retail yield percentage in immature, Angus and Limousin breeding beef cattle. M. S. Thesis, 75 pp, August 2004. (Currently employed as seedstock division manager, R. A. Brown Ranches, Throckmorton, TX).
6. Berg, J. 1997. Development of a DNA microsatellite battery for use in unique identification of beef cattle. M. S. Thesis, 95 pp, November 1997. (Currently employed by Colorado State University as lecturer in animal sciences).
7. Doyle, S. P. 1997. Genetic parameter estimates for heifer pregnancy rate, subsequent rebreeding rate, and stayability in Angus cattle. M. S. Thesis, 74 pp, April 1997 (Currently employed as associate professor of animal science, California State University, Chico, CA).
8. Lankster, W. L. 1996. Identification and management of critical control points in the cow-calf enterprise for achieving and maintaining consistency and low cost of production. M.S. Thesis, 70 pp, June 1996. (Currently self-employed with Bar Double D Ranch, Sheridan, WY).
9. Butler, L. S. 1994. Association of polymorphisms in the bovine calpastatin gene with assessment of consumer palatability satisfaction. M.S. Thesis, 63 pp, November 1994. (Currently self-employed in custom meats business, Valley Mills, TX).

10. Diles, J. J. B. 1994. Relationship between ultrasonic predictors of carcass merit in yearling Brangus bulls and slaughter steers. M. S. Thesis, 69 pp, May 1994. (Currently practicing law in San Antonio, TX).
11. Jackson, S. P. 1993. Investigation of productivity and carcass composition of sheep with a muscle hypertrophy gene. Ph.D. Dissertation, 86 pp, October 1993. (Currently employed as professor, Texas Tech University).
12. Keeton, L. L. 1993. Development of scrotal circumference expected progeny differences in Limousin cattle. M.S. Thesis, 66 pp, July 1993. (Currently employed by Keeton Cattle Co., family purebred Limousin operation).
13. Shepard, H. H. 1993. Using live animal ultrasonic measures for the genetic evaluation of carcass merit in Angus cattle. M.S. Thesis, 66 pp, April 1993. (Currently homemaker).
14. Hamlin, K. E. 1992. Evaluation of sources of variation affecting ultrasonic predictors of carcass merit in beef cattle. M.S. Thesis, 165 pp, June 1992. (Currently self-employed in beef cattle ranching business in Luther, TX).
15. Hennig, R. L. 1992. Genetic characterization of immunocompetence in beef cattle. M.S. Thesis, 177 pp, June 1992. (Currently employed as head, Department of Biology, Odessa College, Odessa, TX).
16. Perkins, T. L. 1992. Use of real-time, linear array ultrasound techniques to predict final carcass composition in beef cattle. Ph.D. Dissertation, 183 pp., February 1992. (Currently employed as executive vice president, International Brangus Breeders, San Antonio, TX).
17. Moylan, J. C. 1990. Assessment of visual appraisal, linear measurements, and real-time ultrasound measurements for prediction of carcass merit in beef cattle, M.S. Thesis, 65 pp, April 1990. (Currently CEO of Moylan Cattle Co. and Moylan Pipeline Com., Eastland, TX).

HONORS STUDENTS ADVISED

1. Davis, E. 2000. Ethical considerations in the development of advanced molecular genetics technologies for the livestock industries. Honors Thesis. May 2000, (Currently assistant professor, Department of Cell Biology and Department of Pediatrics, Duke University Medical School).
2. Stockburger, E. M. 1998. Determination of the stringency of DNA microsatellite marker genotypes for use in individual beef cattle identification. Honors Thesis. May 1998, (Completed Ph. D. – D.V.M. at North Carolina State University, Raleigh).

GRADUATE STUDENTS ADVISED (As member of supervisory committee)

1. Contino, E. 2002. Estimation of genetic parameters for measures of skeletal conformation in Thoroughbred horses. M. S. Thesis. Major Professor: Tina M. Anderson.
2. Flint, A. 2002. Evaluation of a heterospermic index for evaluating bull fertility under sexed semen conditions. M. S. Thesis. Major Professor: George E. Seidel.

3. Grant, P. M. 2002. Assessment of producer attitudes relative to participation in alliance and cooperative ventures in the beef cattle industry. Ph. D. Dissertation. Major Professor: Tom G. Field.
4. Hains, B. 2001. Development of a secondary school curriculum in IRM: Animal science module. M. Ag. Major Professor: Gordon D. Niswender.
5. Cole, G. M. 2000. An evaluation of the expectations of commercial and purebred customers of Colorado State University's resident instruction beef herd. M. S. Thesis. Major Professor: Tom G. Field.
6. Porter, M. 2000. Investigation of the effect of embryo transfer on accumulation of inbreeding in the American Quarter Horse breed of horses. M. S. Thesis. Major Professor: Rick M. Bourdon.
7. McGee, K. 2000. A quality audit of the horse slaughter industry. M. S. Thesis. Major Professor: Temple Grandin.
8. Schmitz, B. 2000. Investigation of the economic value of meat palatability data for the beef cattle industry. M. S. Thesis. Major Professor: Steve L. Koontz.
9. Sasongko, K. 2000. Genetic variation in leptin. M. S. Thesis. Major Professor: Tom L. Geary.
10. Walker, J. 1999. The economic costs associated with value-based marketing of beef cattle. M. S. Thesis. Major Professor: Dana L. Hoag.
11. Lanier, J. 1998. Relationships between hair whorl patterns and behavior in beef cattle. M. S. Thesis. Major Professor: Temple Grandin.
12. George, M. L. 1998. Development of a palatability assurance critical control points model for the U.S. beef industry. Ph D. Dissertation. Major Professor: Gary C. Smith.
13. Hyde, L. R. 1998. An international genetic evaluation of the Charolais breed. M.S. Thesis. Major Professor: Rick M. Bourdon.
14. Steel, N. 1998. Cost effectiveness of utilizing sexed-semen in a commercial beef cow operation (1997-2006). M. S. Thesis. Major Professor: Norman L. Dalsted.
15. Grant, P. 1998. Restructuring undergraduate agricultural education at land grant universities. M. Ag. Major Professor: Tom G. Field.
16. Kimsey, K. 1997. M. Ag. An educational tool for understanding grid pricing of cattle. Major Professor: Tom G. Field.
17. Garcia, J. L. 1997. M. Ag. A comparative analysis of the competitiveness of the Argentine beef cattle industry. Major Professor: Tom G. Field.
18. Al-Soyabil, K. A. 1997. Using three different ultrasonic transducers to show the development of gestation and estimation of age and gender on seven Suffolk ewes. M. S. Thesis. Major Professor: J. Ed Pexton.
19. Rusk, C. P. 1996. Microsatellite markers, DNA fingerprinting, and measures of fertility in beef bulls. Ph.D. Dissertation. December 1996. Major Professor: David R. Ames.

20. Evans, J. L. 1996. Genetic parameter estimates of yearling heifer pregnancy and yearling bull scrotal circumference in Hereford cattle. M. S. Thesis. October 1996. Major Professor: Bruce L. Golden.
21. Hilton, G. G. 1996. Evaluation of palatability attributes of beef from cull beef cows. M. S. Thesis. October 1996. Major Professor: J. Daryl Tatum.
22. VanDoren, T. L. 1996. Evaluation of the impacts of political action committee funding on the voting records of U.S. senators. M. Ag. May 1996. Major Professor: Tom G. Field.
23. O'Connor, S. F. 1996. Genetic influences on beef tenderness in *Bos indicus* and *Bos taurus* sired steers and heifers. M. S. Thesis. February 1996. Major Professor: J. Daryl Tatum.
24. Wulf, D. M. 1996. Genetic influences on beef tenderness in Limousin- and Charolais-sired steers and heifers. Ph.D. Dissertation. March 1996. Major Professor: J. Daryl Tatum.
25. Salak, J. L. 1994. Natural killer cell activity in the pig as affected by stress. Ph. D. Dissertation. Immunology. Major Professor: John J. McGlone.
26. Pipkin, J. L. 1993. Evaluation of different *in vitro* culturing methods of porcine embryos. Ph.D. Dissertation. Reproductive Physiology. Major Professor: James R. Clark.
27. Ives, D. S. 1993. Design and testing of a system to measure postweaning partial efficiency of energy utilization for maintenance of beef bulls. M. S. Thesis. Ruminant Nutrition. Major Professor: Rod L. Preston.
28. Snoga, T. L. 1993. M. S. Thesis. Agricultural Economics. Major Professor: Emmett Elam.
29. Baker, S. C. 1992. M. Ag. Agricultural Economics. Major Professor: Kary Mathis.
30. Hollis, D. 1991. M. Ag. Agricultural Education/Extension Education. Major Professor: Paul Vaughn.
31. Salak, J. L. 1991. Genetics of immunocompetence in swine. M.S. Thesis. Immunogenetics. Major Professor: John J. McGlone.
32. Akins, C. 1990. M. S. Thesis. Genetics of behavior in growing swine. Behavior Genetics. Major Professor: John J. McGlone.
